— Wir bei Kettaker verstehen uns als Gestalter einzigartiger Lebensräume. Unser Ziel ist es, mit individuellen Möbeln Emotionen zu wecken und die Persönlichkeit eines jeden Besitzers zu repräsentieren. Denn unser Anspruch an die Einrichtungsgegenstände, mit denen wir uns jeden Tag umgeben, wächst kontinuierlich. Deshalb ist jedes Stück, das unsere Manufaktur verlässt, das Ergebnis sorgfältiger Handwerkskunst, innovativer Technologie und unverwechselbarem Präzisionsbewusstsein. In seiner Ausstattung, seinen Oberflächen und seiner Farbgebung wurde es nur für Sie persönlich angefertigt. — In unserem Journal möchten wir Sie inspirieren und dabei helfen, die eigenen Wohnräume zu verwirklichen. Wir stellen Ihnen die aktuellen Kollektionen und Produktinnovationen vor, an denen unser Kreativteam und unsere engagierten Mitarbeiter hinter den Kulissen arbeiten. Sie alle tragen zum besonderen Charakter unserer Möbel bei. — Tauchen Sie ein in die Welt der Kettaker Möbel! — Wolfgang Kettaker

## ROOTS & ROADS

5

— Die Geschichte unserer Manufaktur beginnt im Jahr 1870 in einer kleinen Werkstatt, in der ein passionierter Tischler seine Vision von zeitlosen Möbeln verwirklicht. Von Anfang an waren Qualität und Handwerkskunst die Grundpfeiler unseres Unternehmens. Unser Wissen und Können wurden von Generation zu Generation weitergegeben und so entstand eine Tradition, die bis heute lebendig ist. — Kettner wird mittlerweile in der fünften Generation geführt, einer Generation, die maßgeblich dafür verantwortlich ist, wie die Firma heute aufgestellt ist. Wolfgang Kettner hat Anfang der 2000er die Systemintelligenz als Grundmaxime der Möbelfertigung in der Firma etabliert. Hier entstehen seither auf Basis einer prozessorientierten High-Tech-Serienproduktion individualisierte Möbel in höchster Fertigungsqualität, die einer Einzelanfertigung gleichkommen. Hier vereint Kettner das Beste aus zwei Welten.

— The history of our manufactory begins in 1870 in a small workshop where a passionate carpenter realises his vision of timeless furniture. From the very beginning, quality and craftsmanship have been the cornerstones of our company. Our knowledge and skills have been passed down from generation to generation, creating a tradition that is still alive today. — Kettner is now run by the fifth generation, a generation that is significantly responsible for the way the company is positioned today. In the early 2000s, Wolfgang Kettner established system intelligence as the basic maxim of furniture production in the company. Since then, individualised furniture of the highest manufacturing quality has been created here on the basis of process-oriented high-tech series production, which is equivalent to one-off production. Here, Kettner combines the best of two worlds.

# DESIGN IS SO SIMPLE. THAT'S WHY IT'S SO COMPLICATED.

## WE CREATE

7

— Wir sind davon überzeugt, dass Möbel nicht nur funktionale Objekte sein sollten, sondern auch Ausdruck von Individualität und Persönlichkeit. Wir glauben, dass jedes Möbelstück eine Geschichte erzählen kann, eine Geschichte von Stil, Eleganz und zeitloser Schönheit. Deshalb verfolgen wir bei Kettner einen kreativen Ansatz, bei dem wir uns von unseren Kunden inspirieren lassen und ihre Bedürfnisse und Vorlieben in unsere Entwürfe einfließen lassen. Dem verleihen wir Ausdruck mit einer wachsenden Anzahl an Oberflächen und Materialien zur Individualisierung. — Kreativ zu sein erfordert Mut und Pioniergeist, denn jeder neuen Ästhetik liegt ein Umbruch des Gewohnten zugrunde. Karin Brobeil, Creative Director, und Wolfgang Kettner, die gemeinsam das Kreativteam der Firma bilden, wissen das und schaffen es bei aller Kontinuität trotzdem immer wieder, sich neu zu erfinden, ohne dabei ihre Wurzeln zu vergessen. Ihre Handschrift ist geprägt von einer klaren und minimalistischen Linie, die immer wieder mit außergewöhnlichen Details überrascht.

— We are convinced that furniture should not only be functional objects, but also an expression of individuality and personality. We believe that every piece of furniture can tell a story, a story of style, elegance and timeless beauty. That's why at Kettner we take a creative approach, drawing inspiration from our customers and incorporating their needs and preferences into our designs. We give expression to this with a growing number of finishes and materials for customisation. — Being creative requires courage and a pioneering spirit, because every new aesthetic is based on an upheaval of the familiar. Karin Brobeil, Creative Director, and Wolfgang Kettner, who together form the company's creative team, know this and yet, for all their continuity, always succeed in reinventing themselves without forgetting their roots. Their signature is characterised by a clear and minimalist line that surprises again and again with extraordinary details.

HANDMADE IN GERMANY

9

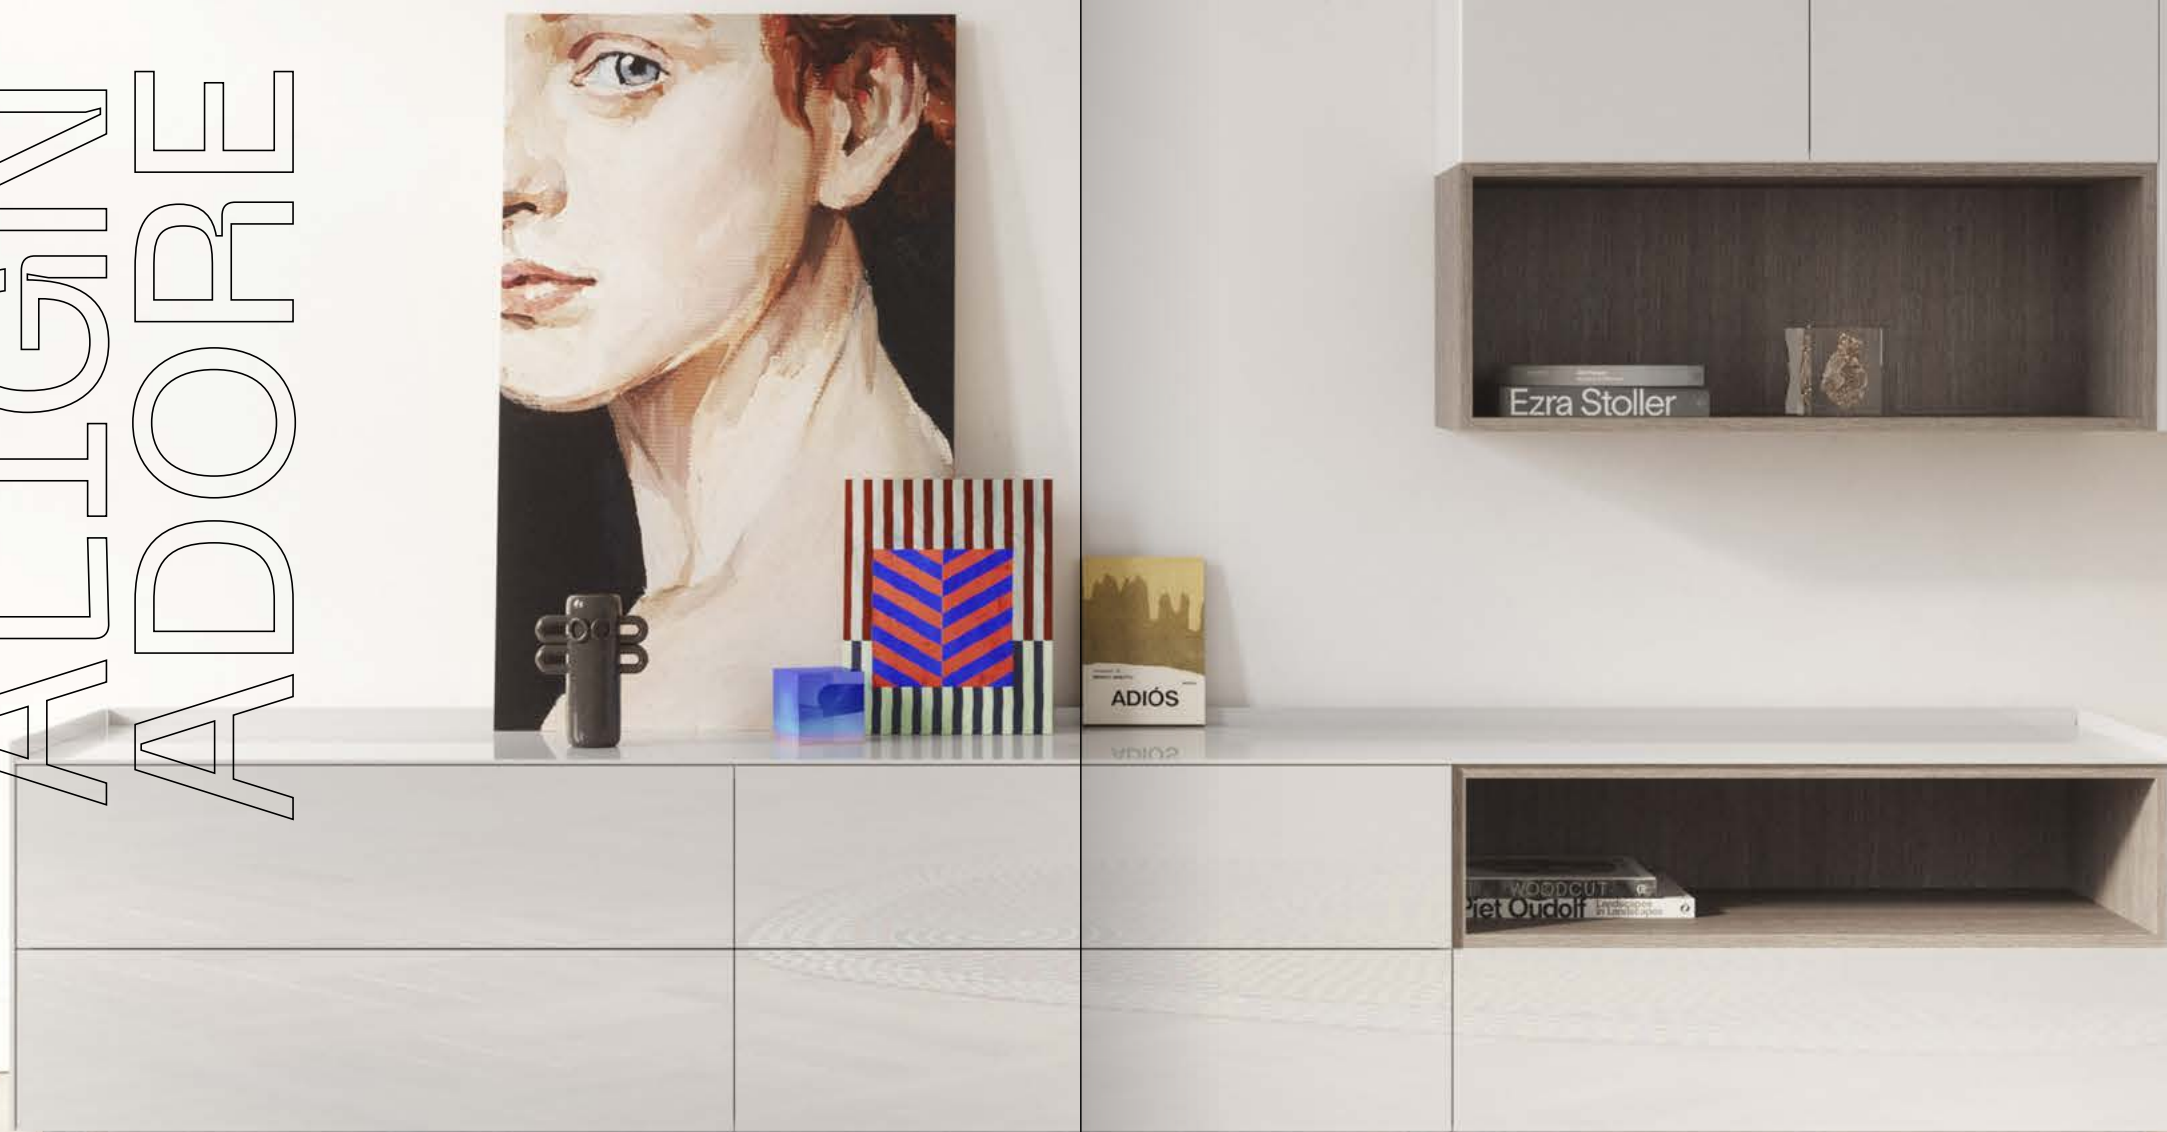

— Natürlich hat sich auch bei Kettnaker vieles über die Zeit verändert, aber eines ist immer geblieben: Das Bekenntnis zu unseren Werten. Auch heute noch streben wir immer nach der bestmöglichen Qualität, immer 100 % Made in Germany. — Damals wie heute pflegen wir eine enge Beziehung mit unseren wichtigsten Partnern, den fachkundigen Händlern. Wir sind bei mehr als 300 Einrichtungshäusern weltweit vertreten und bekommen dort im persönlichen Austausch wichtige Anregungen. Das hilft uns dabei, unserem Qualitätsversprechen gerecht zu werden.

— Of course, many things have changed at Kettnaker over time, but one thing has always remained the same: The commitment to our values. Even today, we always strive for the best possible quality, always 100 % Made in Germany. — Then as now, we maintain a close relationship with our most important partners, the expert retailers. We are represented at more than 300 furniture stores worldwide, where we receive important suggestions in personal exchanges. This helps us to fulfil our promise of quality.
